

WE ARE SO GLAD YOU FOUND US!

We have been helping low-income families and individuals in the Puyallup Valley for over 49 years.

We are concerned neighbors, supported by members of the East Pierce County community, who trust us to carefully identify and aid those who can benefit from the items and services we are able to provide.

As a non-governmental charitable organization, we depend on the generosity of over 100 unpaid volunteers who offer their time and energies to help our fellow citizens in need.

All our items at the clothing bank are generously donated by families, businesses, and others from this community.

Thanks to the generosity of our donors and volunteers, all our services are free of charge.
